Faithfulness. for all generations, and His mercy will endure forever. Praise God from whom all blessings flow.

Praise Him all creatures here below. Praise Him above the heav'nly host. Praise Father, Son, and Holy Ghost.

I will enter His gates with thanksgiving in my heart. I will enter His courts with praise. I will say, this is the day that the Lord has made.

I will rejoice, for He has made me glad. I will enter His gates with thanksgiving in my heart. I will enter His courts with praise.

We bring sacrifice of praise into the house of the Lord. We bring sacrifice of praise into the house of the Lord. And we offer up to Him the sacrifices of thanksgiving.

And we offer up to Him the sacrifices of joy. We bring sacrifice of praise into the house of the Lord. We bring the sacrifice of praise into the house of the Lord.

And we offer up to Him the sacrifices of thanksgiving. And we offer up to Him the sacrifices of joy. And we offer up to Him the sacrifices of thanksgiving.

And we offer up to Him the sacrifices of praise. Of praise. See the truth, I need to see the light.

When it all comes down. When it all comes down. If there's anything good that happens in life, it's from Jesus.

You know that when it all comes down. When it all comes down. If there's anything from Jesus.

I've got my hopes set high. And like a star at night. Out of the deepest dark, inside the purest light.

I've got my hopes set high. I need to see the truth. I need to see the light.

Cause I can do my best and pray to the Father. That's the one thing I ought to know by now. When it all comes down.

When it all comes down. If there's anything good that happens in life, it's from Jesus. You know that when it all comes down.

When it all comes down. If there's anything good that happens in life, it's from Jesus. Oh.

Church of life. Fighting on the battlefield, raise the banner high, sound the battle cry, marching on as I entreat. Though men have tried, men have failed, but the gates of hell have not prevailed.

Against the pride of Jesus Christ, it's time to let the church arise. Let the church arise. Come on, let the church arise.

Let the children of the Lord rejoice. Let the church arise. Come on, let the church arise.

Everybody make a joyful noise. Let the church arise. Let the saints rejoice, the King to reign with the mighty Lord.

Let the church arise. The saints rejoice, the King to reign with the mighty Lord. Make a joyful noise.

Let the church arise. Let the saints rejoice, the King to reign with the mighty Lord. We are here to testify.

You're gonna see the church arise. We are here to testify, you're gonna see the church arise, arise, church arise! Today we came from glory, to save a wretch like me, I heard about the arms of glory, My children won the victory, O victory in Jesus, my Savior forever, He sought me and fought me with His redeeming blood, He loved me and I do too, and all my love is due to Him, to conceive, to be free. In His presence He saw, how He made the lamb cry, for Jesus in the sea, Some free day I'll sing of Him, the Son of Bethlehem, O victory in Jesus, my Savior forever, He sought me and fought me with His redeeming blood, He loved me and I do too, and all my love is due to Him, to conceive, to be free.

Victory, victory, victory in God's cleansing flood, God's cleansing flood, God's cleansing flood, victory in Jesus. God's cleansing flood, God's cleansing flood, victory in Jesus. Those who are lost, sometimes it's not all, still I love to sing the gospel of Jesus Christ, No, I am not afraid to be counted, but I'm willing to give my life, Sweet to give, give a cup of Jesus Christ.

For every moment, for all the love that He's shown, All my sinful faith does not say how I'm

feeling, I get tears in my eyes, so as for me I'm gonna keep on believing, In the One who's been faithful to me, I'm not out to please this whole world around me, I've got my mind on eternity, That's why I am not ashamed of the gospel, The gospel of Jesus Christ, No, I am not afraid to be counted, But I'm willing to give my life, See, I'm ready to be all He wants me to be, Give up the wrong for the right, I'm not ashamed of the gospel, No, I am not ashamed of the gospel, Of Jesus Christ, I've got too much behind me to let, This will bind me to some, He's unnamed, But to me He's my everything, I am not ashamed of the gospel, No, I am not ashamed of the gospel, Of Jesus Christ, I've got too much behind me to let, This will bind me to some, He's unnamed, But to me He's my everything, I am not ashamed of the gospel, No, I am not ashamed of the gospel, No, I am not ashamed of the gospel, Of Jesus Christ, Of Jesus Christ, I am not ashamed, Of Jesus Christ, I see my Savior, Sinner unseen, Those blood red knees, Those cruel nail wounds, Let me see, Shed for me that day, Why hast thou forsaken, This to the sad, sad moan, How His heart is broken, Jesus there, O what blessed contemplation, When with sorrow here I sigh, I've a home beyond the river, I shall enter by and by, I've a home beyond the river, I've a mansion bright and fair, I've a home beyond the river, I will dwell with Jesus there, O how sweet will be to meet them, All the ransomed host above, Sweeter still to see the Savior, Thank Him for redeeming love, I've a home beyond the river, I've a mansion bright and fair, I've a home beyond the river, I've got hope when things go bad, I can smile when I should be sad, I've got friends who pick me up When I'm feeling low, They watch over me wherever I may go, I've got friends in high places, So high but not so far away, I've got friends in high places, And I'm gonna be with them someday, There's the Father right by the Son, And the angels each and every one, And other friends I miss so much, And I long to see, They watch over me wherever I may be, I've got friends in high places, So high but not so far away, I've got friends in high places, And I'm gonna be with them someday, Why should I run? Why should I hide? What's there to fear When my friends are by my side? I've got friends in high places, So high but not so far away, I've got friends in high places, And I'm gonna be with them, I'm gonna be with them, I'm gonna be with them someday, I've got friends in high places, And I'm gonna be with them someday, I wanna be there when the court of heaven rings, With a happy song the angel chorus sings, I wanna be there when we crown him King of Kings, All the universe will be assembled, Humberlust the gathering bear, Angel hosts and all the ransomed army, Mighty hosts beyond compare, I wanna be there when we crown him King of Kings, I wanna be there when the court of heaven rings, With a happy song the angel chorus sings, I wanna be there when we crown him King of Kings, Only those who put their faith in Jesus, Trust the work of Calvary, We'll behold that crowning day, With a happy song the angel chorus sings, Beyond measure, there's some What are you? Which one are you? Need the time, The pain of different circumstances, But the feelings of a sinner ever, Take the time, To show someone you, To show someone you, Can take the time, It is thy faithfulness, O God my Father, There is no shadow of turning with thee, Thou changest not, Thy compassions they fail not, As thou hast been, Thou forever wilt be, Great is thy faithfulness, Great is thy faithfulness, Morning by morning new mercies I see, All I have needed, Thy hand hath provided, Great is thy faithfulness, O God, Pardon for sin, And the peace that endures, Thine only presence to cheer and to guide, Strength for today, And rightful for tomorrow, Blessings all mine, With ten thousand beside,

Great is thy faithfulness, Great is thy faithfulness, Morning by morning new mercies I see, All I have needed, Thy hand hath provided, Great is thy faithfulness, Lord untold, Summer and winter, Springtime and harvest, Sun, moon and stars in their courses above, Joined with our nature in manifold witness, To thy great faithfulness, Mercy and love, Great is thy faithfulness, Great is thy faithfulness, Morning by morning new mercies I see, All I have needed, Thy hand hath provided, Great is thy faithfulness, Lord untold. The beauty of his faithfulness is that he is the same yesterday, today, and forever. And although we do not know what the immediate tomorrow may hold, we do know what the far away tomorrow holds, and that is presence with him for all eternity.

The place was white as snow, And pure as finest gold, It had the look of new, It had the look of old, I felt like I was home, Yet seemed so far away, In fear I turned to leave, Then felt the urge to stay, Then a silence fell, Like none I have ever known, I stood among the millions, I stood there all alone, His face was like the sun, His eyes like the sea, His voice like the thunder, Rolling through eternity, I saw the Lord, He was high and lifted up, Rightfully adored, I saw the Lord, And he saw me, Then from sleep awakened, I looked into the night, The darkness overtaken, By a bright and shining light, I couldn't understand it, I couldn't reason how, And my eyes beheld him, Wasn't dreaming now, I saw the Lord, He was high and lifted up, Rightfully adored, I saw the Lord, And he saw me,
